WORK HISTORY

UAB Sterne Library Birmingham, AL— *Electronic Resources Librarian*

06/2022 –PRESENT

Implements, maintains, supports, and enhances a wide range of technologies and systems to provide innovative library services and ensure access to the library's extensive range of online information resources and digital collections.

FSU Strozier Library, Tallahassee, FL — *Library Associate, E-Resources*

06/2019 –06/2022

Assisted in maintaining and providing access to millions of electronic resources such as journals, books, databases, and videos. Maintained relationships and communicated with the library community at FSU Libraries across the globe, including consortium partners, vendors, and publishers. Sustained leadership roles in committees, conferences, and meetings. Created instructional materials. Maintained the department's web presence.

State Library of Florida, Bureau of Library and Information Services

Tallahassee, FL — *Information Specialist III*

10/2018 –06/2019

Managed the electronic delivery service of library resources to State of Florida employees while also providing in-person and online reference services daily. Participated in a group project to digitize and upload heavy use serials and periodicals to the State Library of Florida website and Internet Archive. Shelled serials and periodicals daily. Volunteered for weekend library events and display creation projects.

FSU Strozier Library (Graduate & Faculty Commons), Tallahassee, FL —

Librarian Assistant

8/2015 –6/2017

Provided excellent reference services daily while keeping usage statistics on physical items circulated within the Graduate and Faculty Commons. Instructed patrons on using microfilm and microfiche scanners. Volunteered for several events, presentations, and symposiums. Communicated effectively with the library community.
