RELEVANT WORK EXPERIENCE

UAB Sterne Library Birmingham, AL— *Electronic Access & Discovery Librarian*

06/2022 –PRESENT

Ensure access to the library's extensive range of online information resources and digital collections. Implements, maintains, supports, and enhances a wide range of technologies and systems to provide innovative library services. Collects usage data across all library platforms and provides analysis for decision-making. Serves as liaison to the Library's vendors and point of contact for upgrades and training. Troubleshoots and resolves technical issues in a timely manner. Participates actively in professional development which supports higher education and academic libraries.

FSU Strozier Library, Tallahassee, FL — *Library Associate, E-Resources*

06/2019 –06/2022

Assisted in maintaining and providing access to millions of electronic resources such as journals, books, databases, and videos. Maintained relationships and communicated with the library community at FSU Libraries across the globe, including consortium partners, vendors, and publishers. Sustained leadership roles in committees, conferences, and meetings. Created instructional materials. Maintained the E-Resources department's web presence.

State Library of Florida, Bureau of Library and Information Services

Tallahassee, FL — *Information Specialist III*

10/2018 –06/2019

Managed the electronic delivery service of library resources to State of Florida employees while also providing in-person and online reference services daily. Participated in a group project to digitize and upload heavy use serials and periodicals to the State Library of Florida website and Internet Archive. Shelled serials and periodicals daily. Volunteered for weekend library events and display creation projects.

FSU Strozier Library (Graduate & Faculty Commons), Tallahassee, FL — *Library Assistant*

8/2015 –6/2017

Provided excellent reference services daily while keeping usage statistics on physical items circulated. Instructed patrons on using microfilm and microfiche scanners. Volunteered for several events, presentations, and symposiums. Communicated effectively with the library community.
