RELEVANT WORK

UAB Sterne Library Birmingham, AL— *Electronic Resources Librarian*

06/2022 –PRESENT

- Implements, maintains, supports, and enhances a wide range of technologies and systems to provide innovative library services and ensure access to the library's extensive range of online information resources and digital collections.

FSU Strozier Library Tallahassee, FL — *Library Associate, Electronic Resources*

06/2019 –06/2022

- Assist in maintaining and providing access to millions of electronic resources such as journals, books, databases, and videos. Maintain relationships and communicate with the library community at FSU Libraries across the globe, including consortium partners, vendors, and publishers. Sustain leadership roles in committees, conferences, and meetings. Create instructional materials. Maintain the department's web presence.

State Library of Florida, Tallahassee, FL — *Information Specialist III, Bureau of Library and Information Services*

10/2018 –06/2019

- Managed the electronic delivery service of library resources to State of Florida employees while also providing in-person and online reference services daily. Participated in a group project to digitize and upload heavy use serials and periodicals to the State Library of Florida website and Internet Archive. Shelled serials and periodicals daily. Volunteered for weekend library events and display creation projects.

Palmer Munroe Teen Center, Tallahassee, FL — *Tutor and Workshop Instructor*

8/2016 –12/2016

- Instructed a Poetry workshop for K-12 students. Created a website that features the center's activities and events. Tutored K-12 students in English and Literature homework while also assisting with daily activities for students.

Florida State University Strozier Library, Tallahassee, FL — *Librarian Assistant*

8/2015 –6/2017

- Provided excellent reference services daily while keeping usage statistics on physical items circulated within the Graduate and Faculty Commons. Instructed patrons on using microfilm and microfiche scanners. Volunteered for several events, presentations, and symposiums. Communicated effectively with the library community.
