RELEVANT WORK EXPERIENCE

University of Alabama at Birmingham Libraries, Birmingham, AL— *Electronic Access & Discovery Librarian*

06/2022 –PRESENT

Ensure access to the library's extensive range of online information resources and digital collections. Works closely with Metadata Librarians to promote collections using knowledge of MARC21 and Dublin Core (DC). Communicate with and assist library personnel across multiple library locations. Implements, maintains, supports, and enhances a wide range of technologies and systems to provide innovative library services. Works with information systems and programs Ex Libris Alma, Primo VE, SpringShare suite, Unity Alliance, Adobe Suite, Library Mobile, and vendor platforms. Collects usage data across all library platforms and provides analysis for decision-making. Serves as liaison to the Library's vendors and point of contact for upgrades and training. Troubleshoots and resolves catalog technical issues. Participates in professional development opportunities and scholarly activities.

Florida State University Libraries, Tallahassee, FL — *Electronic Resources Library Associate*

06/2019 –06/2022

Assisted in maintaining and providing access to all electronic resources. Maintained relationships and communicated with the library community at different FSU Libraries across the globe, consortium partners, vendors, and publishers. Worked with information systems EBSCO admin/host/net/OneSearch. Participated in the FSU Libraries' UX/UI committee (2020 - 2022). Created instructional materials on electronic resource workflows and duties. Created and maintained the E-Resources department's web presence. Assisted with Chat with a Librarian service weekly. Troubleshooted and resolved e-resource issues. Collected e-resource usage statistics.

State Library of Florida, Bureau of Library and Information Services, Tallahassee, FL — *Information Specialist III*

10/2018 –06/2019

Managed the electronic delivery service of library resources to State of Florida employees while also providing in-person and online reference services daily. Participated in a group project to digitize and upload heavy use serials and periodicals to the State Library of Florida catalog and Internet Archive. Shelved serials and periodicals daily. Volunteered for weekend library events and display creation projects.

Florida State University Libraries (Graduate & Faculty Commons), Tallahassee, FL — *Library Assistant*

8/2015 –6/2017

Provided excellent reference services daily. Assisted with pulling physical item usage statistics. Instructed patrons on using microfilm and microfiche scanners. Volunteered to help with events, presentations, and symposiums. Assisted patrons with inter-library loan requests. Processed physical library circulation materials.
